

D2L Instructor Releases Test Results (Properties Tab)

You are logged into your D2L course.

Step One: Click on the **Tests** link as per the top arrow (below). The tests show up.

Step Two: The list of tests will show up as below. Click on the test you which you wish to view the results.

The test tabs will show up 'as below'.

The default tab is "**Properties**".

In order to have the test mark and release the results immediately, you will need to check off the **white box** that shows up in '**General**' area after the text: '**Automatic Grade:**' which will "**allow attempt to be set up as graded immediately upon completion**".

You will also want to check off the **Disable Right-Click:** prevents page printing.

You will also want to check off the **Disable Pager Access:** (even though not yet available in D2L courses).

General

Name:

Category: [\[add category\]](#)

Grade Item: [\[add grade item\]](#)

Auto Export to Grades: ☐ allow attempt to export to grades

Automatic Grade: ☐ allow attempt to be set as graded immediately upon completion

Optional Advanced Properties

[Collapse optional advanced properties](#)

Hints: ☐ allow hints

Notification Email:

Disable Right-Click: ☐ do not Allow users to right-click (control-click on a Mac) when taking a test.

Disable Pager Access: ☐ do not allow the sending or reception of pager messages while taking this test

Make sure you click on the **Save Test** button.

If you have the remainder of the test tabs set up for how you want the test results released, the students will see their submission results when they look at them.
